

Riverhawk Company designs and builds hardware systems and tooling for power generation systems and other applications for companies such as GE, Siemens, and Johnson Controls. As a leader in engineering-driven manufacturing, Riverhawk is looking to add an **Assembler / Mechanical Support Technician** to its team. This full time position is based out of our New Hartford, NY office.

What you'll do:

- Assemble and test of new Riverhawk mechanical equipment at the factory
- Mechanically diagnosis, repair, and test products returned from the field
- Support or perform testing of Riverhawk products in our Engineering Lab
- Travel will be required, some international.
- Repair of damaged mechanical products in the field
- Oversight of customer personnel during operation of Riverhawk equipment
- Train customer personnel on the use of Riverhawk equipment
- Report and follow up on identified issues with Riverhawk products in the field
- Coordinate travel arrangements

What we need:

Applicants should have the following skills and abilities.

- A minimum of three years' experience in assembly and/or Mechanical Technology
- Ability to diagnose and repair mechanical equipment
- Ability and willingness to travel
- Strong communication skills and ability to represent Riverhawk in a professional manner
- Associates Degree in Mechanical Technology or related field is a plus but not required
- Need to be able to pass security requirements on customer sites
- Ability to lift 50 lbs. without assistance
- Ability to climb ladders

What you get:

Riverhawk Company offers a competitive pay and benefit package for their employees.

- Two weeks paid vacation
- Paid personal and sick leave
- Ten paid holidays
- Additional pay for weekend, holiday, or extensive travel
- Medical insurance (88% covered by the company)
- Immediate 100% vesting in Company 401(k) Plan with 3% Company Contribution
- Company paid short term disability insurance
- Tuition assistance
- Company paid life insurance

Riverhawk Company is an equal opportunity employer and considers qualified applicants for employment without regard to race, religion, national origin, gender, sexual orientation, age, disability, veteran status, or any other protected factors.
